J.H. Buscher, Inc. would like to recommend Charles Buscher for certification as a Repairman with Accessory rating.

Mr. Buscher has satisfactorily shown his abilities in the areas of servovalve, hydraulic, pneumatic, fuel control and torque motor component evaluation, overhaul and repair. His duties and responsibilities include technical supervision of repairs at this – our only – location.

Mr. Buscher meets the qualification requirements of Title 14 of the Code of Federal Regulations (14 CFR) part 65, Paragraph 101.

Sincerely,

A handwritten signature in cursive script that reads 'Keith Randolph'.

Keith Randolph
